Experience Letter

This is to certify that Mr. Mayank Sinha, was working as an Intern with Group Function Production, Technology, Safety & Environment in LANXESS India from May 8, 2017 until July 7, 2017.

As an intern, Mr. Mayank, has been assigned to work on the following project—

- 1. Optimising the efficiency of MIBK Distillation Column**
- 2. Involvement in project Indigo for Technical Assistance**
- 3. Transport Safety**

The following assignments were completed by Mayank under the 3 projects.

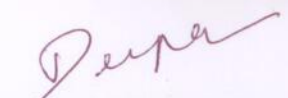

- a) Doing several simulations in ASPEN (simulation software) in the process of optimizing the distillation process of MIBK.
- b) Proposing various methods to improve the chemical separation thereby increasing the efficiency of distillation.
- c) To assist in Indigo project and evaluate alternate process technologies.
- d) Assist team in preliminary safety check for the project set up.
- e) Proposed several changes in the reporting system with the help of MATLAB which would improve the quality of reports generated.

The projects have been completed successfully to our satisfaction and his conduct during the tenure of the project was satisfactory.

We wish him all success in his future endeavors.

Yours faithfully,

For **LANXESS India Private Limited**
